Professional Experience

Frontend Developer (Intern), *Cognifyz Technologies, India.* 01/2025 – 02/2025
Remote

- Developing responsive and user-friendly web interfaces using Bulma, Bootstrap, HTML, CSS, and JavaScript.
- Gaining valuable experience in modern frontend frameworks and tools through hands-on projects and mentorship

Frontend Developer (Intern), *Integrated Software Services Limited, Lagos* 01/2024 – 06/2024
Lagos

- Built my first mobile app using React Native, gaining hands-on experience in mobile app development.
- Worked as a Software Tester, ensuring high-quality code and optimal user experience across applications.
- Developed responsive and user-friendly web interfaces using React, HTML, CSS, and JavaScript.
- Collaborated with a cross-functional team to deliver projects on time and exceed client expectations.

Lead Frontend Developer, *Dear henrietta* Oct 2025 – Nov 2025
Lagos(Remote)

- Developed the admin side of the application using Next.js and Tailwind CSS, enhancing user experience and interface design.
- Integrated Google Maps API to verify and display accurate location data, improving functionality for users.
- Created robust APIs to facilitate seamless communication between the frontend and backend systems, ensuring efficient data handling.

Lead Frontend Website Developer, *Proxynet communications* 01/2026 – 10/2026
Lagos, Nigeria

Spearheaded the development of scalable, high-performance web applications using modern frontend technologies like React, ensuring seamless cross-browser compatibility and mobile-first responsiveness.

Led frontend code reviews, established best practices for git workflows, and mentored junior interns or team members to maintain high code quality standards.

Collaborated closely with UI/UX designers to translate complex wireframes and high-fidelity mockups into clean, maintainable, and pixel-perfect semantic HTML/CSS and JavaScript.

Education

Bachelor of Science in Computer Science, *Babcock University, Ogun State* 07/2025
Graduated: July 2025 Ogun State
